

Prayer to Saint Gianna Molla

O compassionate Saint Gianna,
physician and caregiver to the poor, the elderly,
to children and expectant mothers,
look lovingly upon our humble prayer,
and intercede for us with our Heavenly Father.

As a dedicated wife and mother,
you imitated the love of our Savior, Jesus Christ,
even to the point of giving your life to save
the life of your preborn child.

Ask the Holy Spirit, we pray, to fill us with courage,
so that your words may become our own:

“Whatever God wants.”

If it is in God’s loving plan for me,
pray that my intention may be granted
[make request here].
