

Pulpit Announcements

Second Sunday of Ordinary Time

January 14, 2024

- Our charitable tithes this weekend will go to [The SOAP Project](#), which rescues people from the victimhood of human trafficking.
- Thank you to all parishioners who were able to participate in our Diaper Drive this weekend. We have some diapers here at the ambo. Most of them are in the truck at the pavilion. At the end of Mass, we're happy to bless all the diapers here and ask for God's blessings upon all those who will receive them.
- Thank you to all parishioners who signed up to give blood this Sunday. Your gift literally saves lives. Thank you!
- This weekend, our nation pauses to remember Dr Martin Luther King and all those involved in the Civil Rights Movement. In observance of the national holiday, our church and parish campus will be closed on Monday, January 15. There is no public Mass, and all events are suspended at the parish. *May God bless our nation with greater racial harmony and a deeper love between neighbors!*
- The annual Priest Convocation will be held this week, Monday – Thursday, January 15-18. All priests of the diocese will be with the Bishop. As such, there are no Confessions or public Masses at the parish on these days. The Rosary, our regular Adoration times, and our daily devotions will all be offered Tuesday – Thursday. Please note, however, the change of times on [our parish calendar](#). *Come and join your parish for public prayer!*
- For your future planning: On Friday evening, January 26, the parish is honored to host the noted writer, columnist, and popular speaker, [Father Roger Landry](#). The evening will begin with some sacred music at 6:30 PM. Father Landry's talk is at 7:00 PM and is entitled, *Living as Disciples of the Lord*. Free copies of Father Landry's book will be available to all participants. Father Landry's talk will be followed by fellowship and a book signing. All are welcome!
